Texell Credit Union Ranked 26th Best Credit Union to Work For

Temple, TX (August 27, 2025) – Texell Credit Union is recognized as one of the *Best Credit Unions to Work For* in the nation by American Banker. Placing 26th in 2025's survey, this is the fifth year Texell ranked among the top 50 credit unions. Winners are selected based on two surveys from the Best Companies Group that examine overall employee satisfaction as well as the benefits and policies of the credit unions.

Texell was one of only three Texas credit unions in the top 30 and the only Central Texas credit union to make the list. The full *Best Credit Unions to Work For* list is available online at americanbanker.com.

"At Texell, we work together and encourage each other to succeed by celebrating outstanding service," said Tony Hale, President and CEO of Texell. "We strive to create a culture of energetic teamwork to better serve our members and the community, and we're honored to make this list for a fifth time."

The *Best Credit Unions to Work For* list involves a two-survey process. The first survey examines employee satisfaction in eight areas, including leadership and planning, culture and communication, and overall engagement. A second survey evaluates each credit union's workplace policies, practices, and benefits. The combined scores determine the final ranking of the best credit unions. Best Companies Group manages the overall process and analyzes the data using their expertise to determine the final ranking.
