Download the
**FREE app by
scanning this code:**

GETTING STARTED

1. Download the FREE Texell Mobile Banking app in the App Store or Google Play store – Scan the code below for quick access. After launching the app, click the **Enroll** link near the bottom of the screen.
2. Scroll down and tap **Register**. Enter your **Social Security Number**, **Member Number** and **Birthday**. *If you are registering a business account, toggle the switch at the top and enter the **TIN** and **Member Number**. Then, tap **Continue**.
3. If the email address displayed is correct, tap **Continue**. If incorrect, please contact Texell to get it updated. On the next screen, enter a **Username**, **Password** and confirm the **Password**. Next, enter a **Security Phrase**, select a **Security Image**, choose and answer the **Security Questions**. When done, tap **Continue**.
4. Verify the information you entered and accept the **Terms and Conditions**. When done, tap **Confirm and enroll**.

Check your email for a verification message from services@texell.org, tap the link.

Return to your mobile device's home screen and launch the Texell Mobile Banking app. Enter your new username and password, then tap **Sign In**.
