You can still get cash at any ATM and conduct transactions through Mobile Banking, e-Branch Home Banking or ANDI, our automated phone system.

## Skip-a-pay

Skip a loan payment this summer, or any time of the year!

The summer is a perfect time for Texell's **Skip-a-pay** program!

Skip your next monthly payment for a low processing fee of \$25 when you skip your payment through e-Branch Home Banking. To take advantage of this discounted option of \$25 per loan, simply log in to your e-Branch account and follow the step-by-step instructions.

**That's a savings of \$10 per loan when you use e-Branch!**

If you do not wish to use e-Branch to skip your payments and take advantage of the \$10 per loan discount, visit [Texell.org](http://Texell.org) to download the Skip-a-pay Request Form and return. Remember, if you select this option, the processing fee is \$35 per loan.
