Texell Credit Union Ranked 29th Best Credit Union to Work For

Temple, TX (September 2, 2026) – Texell Credit Union has been recognized as one of the *Best Credit Unions to Work For* in the nation by American Banker, ranking 29th in the 2026 survey. This marks the sixth year Texell ranked among the top 50 credit unions. Winners are selected based on two surveys from the Best Companies Group that examine benefits and workplace policies as well as employee surveys on culture and overall engagement.

Texell was one of only three Texas credit unions and the only one in Central Texas to receive this recognition. Texell is also the largest credit union in Texas to make the list. The full list of *Best Credit Unions to Work For* is available online at americanbanker.com.

"Staff at Texell care about each other and the mission of serving our members and our local communities, so making this a great place to work is top of mind for our leadership team," said Tony Hale, President and CEO of Texell. "We work and volunteer together at Texell Serves events and encourage each other to succeed by celebrating outstanding service. We're humbled to celebrate this achievement for a sixth time," Hale continued.

The *Best Credit Unions to Work For* list involves a two-survey process. The first survey examines employee satisfaction in eight areas, including leadership and planning, culture and communication, and overall engagement. A second survey evaluates each credit union's workplace policies, practices, and benefits. The combined scores determine the final ranking of the best credit unions.

Best Companies Group manages the overall process and analyzes the data using their expertise to determine the final ranking. Visit bestcreditunionstoworkfor.com for more information on the *Best Credit Unions to Work For* program.
