

★★ REPORT

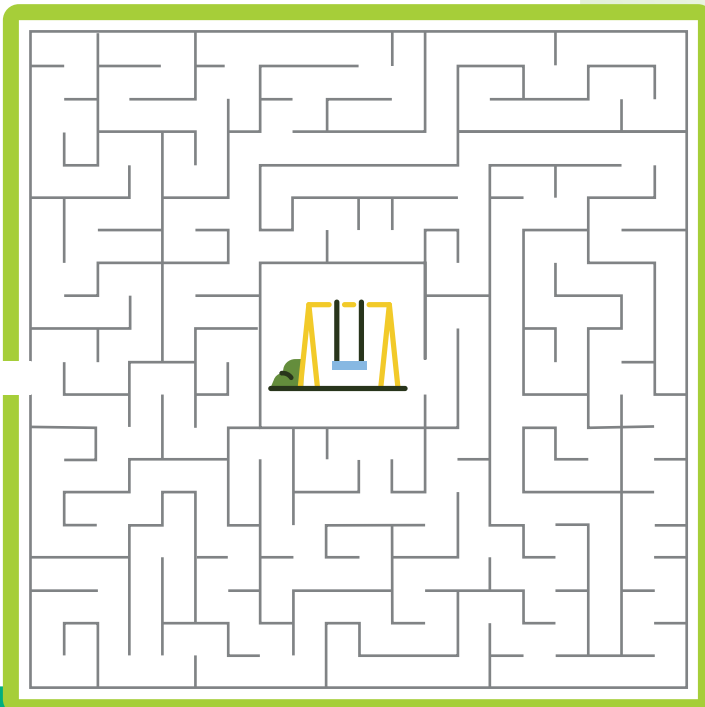

SPRING IS HERE! AS YOU PREPARE FOR WARMER WEATHER, FOLLOW THESE TIPS TO HAVE FUN WITHOUT DIGGING INTO YOUR DOLLAR SQUAD SAVINGS.

Spring Cleaning

It's not the most fun activity, but if you have a goal to earn money, spring cleaning is an easy way. Ask the adults in your home if there are chores you can help with. Or look through your old toys, games, or clothes to see if there are some still in good condition that you could sell. You'll be making room for new fun items and letting others enjoy your old things.

Savvy and her family are planning a picnic in the park for their spring activity. Help them make their way to the playground in the center of the maze.

Take a Break for Free

Spring is a great time to explore the free, fun things to do in your own backyard! Without leaving your home you can have a scavenger hunt, backyard camping, or an outdoor movie night. For fun outside your home, check out events at the library or museums, or find a new park to explore.

Pool Your Funds and Spring for Fun

Don't dip into your Dollar Squad account to spend. Instead, pool money earned on chores for a fun outing. Pooling means everyone puts money in to make a big purchase. Then take a vote on going to the movies, go-carts, laser tag, or whatever your family or friends like to do.

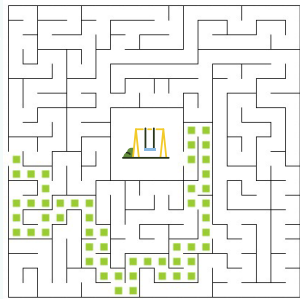

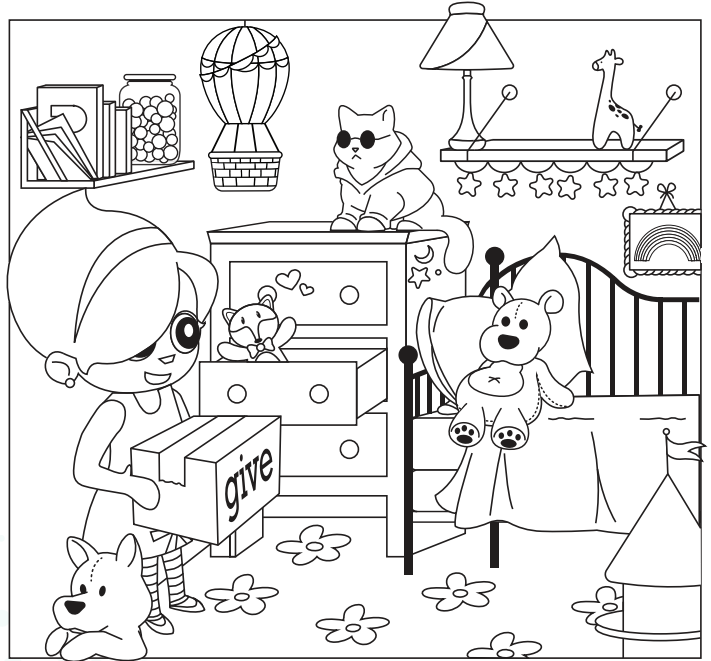

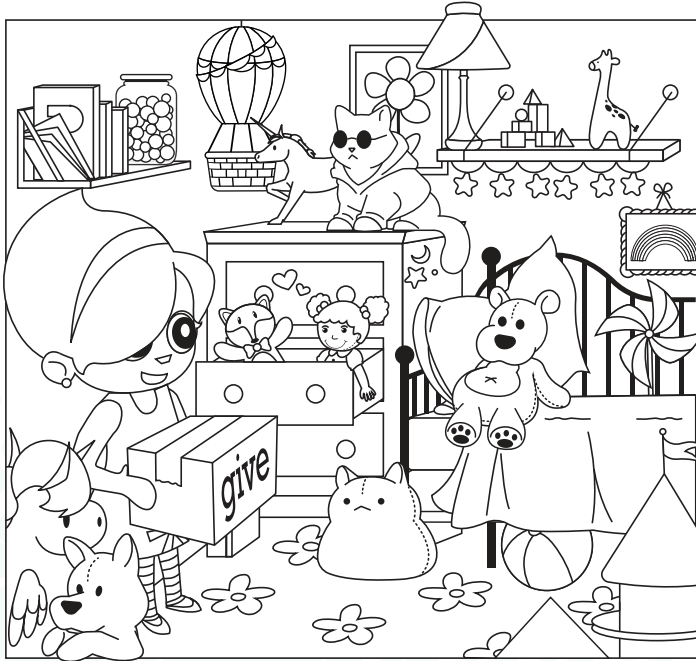

\$25!
I BET WITH YOUR \$25 WE CAN EVEN SHARE POPCORN!

Solution to Spot the Difference

Spot the Difference

Charity has donated nine of her old toys. Can you spot what's missing and color them in the first picture? You can color both pictures after you've spotted the differences.
